

Title: FRIENDSHIP MEDAL

Goal:

Learn more about friendship and express appreciation.

Intro:

At this station, you'll practice showing appreciation of each other and contribute to others feeling good about themselves.

Resources:

Blank paper, Scissors
Tape, Ribbon
Markers or color pencils
Hole puncher (optional)

Instructions:

Think of a friend or a person that you would like to give a medal to. Think about: Why are you friends with this person? What is special about them as a friend?
Pick up a blank piece of paper of the table and draw and color a "medal" or "award" to recognize your friend. Write your friend's name on it, cut it out, and tie a ribbon so you can hang the medal around your friend. It's time for the "Award Ceremony"! Find your friend (or bring your medal home until you see him/her the next time) and hang the medal around your friend's neck. Tell your friend why you made them a medal. Ask an adult for permission to take a photo of you and your friend with the blue ribbon. If you are allowed to, post it on social media with tags: **#EQPOPUP #WorldChildrensDay** to join the World Children's Day celebration.

Discussion:

What is a friend? How do you make friends?
What should a good friend be like?
How did it feel to make a friendship-medal?
How did it feel to say out loud what you like about your friend?
What did it feel like to receive a medal?
Do you think it is important to have friends?
Can you have different kinds of friends?
